

My name is Jonas Habermacher and i'm a graphic and motion designer. I was born April 16, 1987 in Lucerne / Switzerland. Currently based in Lucerne, Switzerland. As a graphic designer I have been working at Interbrand Zurich for almost 3 years. After that I studied 3D animation at the Lucerne School of Art & Design and graduated in 2015 as a bachelor of arts in film. My focus is on motion graphics, compositing, concept and typography.
